FIRST AMENDED COMPLAINT

INTRODUCTION

1. Plaintiffs Ida Mae Whitley, Clyde Whitley and Kenna Whitley bring this action against a sub-prime mortgage lender, a mortgage broker, a real estate agent and others to secure redress for fraud, negligence, discrimination and other predatory lending practices.

JURISDICTION AND VENUE

2. This Court has subject matter jurisdiction under 28 U.S.C. §§1331 (general federal question), 1337 (interstate commerce), 15 U.S.C. § 1679b (Credit Repair Organizations Act), 12 U.S.C. Sect. 2601, et seq. (Real Estate Settlement Procedures Act), 42 U.S.C. Sect. 1981 (Civil Rights Act), 42 U.S.C. Sect. 3605 (Fair Housing Act) and 15 U.S.C. Sect. 1691 (Equal Credit Opportunity Act), and 1367 (supplementary jurisdiction).

3. Defendants all transact business in the District and are deemed to reside here.

PARTIES

4. Plaintiffs Ida Mae Whitley and Clyde Whitley are first-time home owners who, with their adult daughter, plaintiff Kenna Whitley, and her son, reside in a single-story, raised ranch house located at 8519 S. Kenton Avenue, Chicago, IL 60652.

5. Plaintiffs are African-American.

6. Defendant Taylor, Bean & Whitaker Mortgage Corp. (“TB&W”) is a residential mortgage lender with corporate headquarters in Ocala, Florida. TB&W is primarily a wholesale lender in that most of its mortgage loans are arranged or brokered by authorized mortgage brokers and small banks. TB&W also maintains a number of retail branch offices throughout the United States, including one in Oakbrook Terrace, Illinois. TB&W’s registered agent in Illinois is Frances M. Kristina, Taylor, Bean & Whitaker Mortgage Corp., 1 South 443 Summit Avenue, Suite #204, Oakbrook Terrace, Illinois, 60181.

7. Defendant Advance Lending Group, Corp. [sic] (“Advance Lending”) is an Illinois mortgage broker with offices at 1830 West Foster Avenue, Chicago, Illinois, 60640 and/or 4457 West Fullerton Avenue, Chicago, Illinois, 60639. Advance Lending’s registered agent is O. Allen Fridman, 555 Skokie Boulevard, Suite #500, Northbrook, Illinois, 60062.

8. Oswaldo Ochoa (a.k.a. “Ozzie”) is or was Advance Lending’s president and secretary. On information and belief, he resides at 6345 S. Keeler, Chicago, Illinois, 60629.

9. Defendant Favian Cardenas is an Illinois licensed real estate broker. On information and belief, at the time of plaintiff’s transaction he was employed by Gil & Gil Group Corp. Real Estate-Lincoln (“Gil & Gil”), a residential real estate brokerage corporation located at 4306 N. Lincoln Avenue, Chicago, 60618. Also at that time, Cardenas had his own corporation, defendant Blue Horizon Real Estate Corp. (“Blue Horizon”), also a residential real estate

brokerage corporation, which, on information and belief, is currently located at 3526 North Lincoln Avenue, Chicago, Illinois, 60657. On information and belief, Cardenas currently resides at 1024 Austin, Evanston, Illinois, 60602.

10. Johnfrey Ospina (a.k.a. "John") processed and or brokered loans for Advance Lending and/or its president, Ochoa, at the same time that he was employed by LaSalle Bank. On information and belief, Ospina is now employed by Chase Bank.

11. Anita Logan is an employee of TB&W. She works in TBW's Central Document Facility (CDF) or Mortgage Banking Center located at 1417 N. Magnolia Avenue, Ocala, Florida, 34475.

12. DOES 1-10 are any other persons who engaged in or aided and abetted the predatory practices, disclosure violations and other wrongdoing alleged below and whose identities and whereabouts are as yet unknown to plaintiffs.

FACTS RELATING TO ALL CLAIMS

13. Plaintiffs are simple, unsophisticated consumers.

14. Ida Mae had good credit at the time she obtained the loans from defendants. Her credit score was 696.

15. In late 2005, after renting apartments for all of their adult lives - primarily in the dangerous, North Lawndale neighborhood in Chicago - plaintiff and her husband, then ages 56 and 60, respectively, decided to purchase a home in order to have a safe and stable place to live during their retirement.

16. On information and belief, in January, 2006, plaintiffs found Cardenas and Blue Horizon in the Yellow Pages. Plaintiffs explained to Cardenas that they knew nothing about the process of buying a home and that they were looking to him for expertise and help.

Kenna Whitley asked Cardenas to “do for [her parents] what you would do for your own parents.” Plaintiffs placed their trust in Cardenas.

17. However, Cardenas, who was aware of plaintiffs’ limited income, showed plaintiffs homes that he knew they could not afford.

18. At all times, defendants knew that plaintiffs were unsophisticated, first-time home buyers. Defendants took full advantage of these facts.

19. In early April, 2006, plaintiffs decided they liked the home Cardenas showed them at 8519 S. Kenton and wanted to purchase it. Cardenas did not advise or instruct plaintiffs on how to make an informed offer or on how to negotiate the purchase price or other terms of the real estate purchase contract.

20. After plaintiffs’ offer for the asking price was accepted, on information and belief Cardenas arranged many aspects of plaintiffs’ real estate and loan transactions, including but not limited to: the home inspection, the appraisal, the closing attorney, the home owner’s insurance policy and the financing.

21. Plaintiffs dealt with Cardenas and other defendants concerning the terms of financing for the purchase of their new home.

22. Cardenas promised plaintiffs that their monthly mortgage payment would be no more than \$1,800, including principal, interest, and monthly escrow amounts for taxes and insurance. Based on Cardenas’ representation, plaintiffs believed they could afford the monthly payments. At that time, the family’s monthly rental payment was \$925.00.

23. In addition, Cardenas told plaintiffs that, after six months, they could refinance with him in order to obtain a lower interest rate and a lower monthly payment.

24. Cardenas also told plaintiffs that, after closing, they would receive an \$8,000.00 rebate on the purchase of the home.

25. Cardenas then instructed plaintiffS where and when closing would take place, and plaintiffs followed his instructions.

26. Plaintiffs never received any written, preliminary disclosures of loan terms, such as a Good Faith Estimate of Settlement Charges or a preliminary Truth-In-Lending Disclosure Statement, from TB&W or Advanced Lending or any other defendant, in violation of the Real Estate Settlement and Procedures Act.

27. Because plaintiffs had never been through the home purchase and financing process before, none of these representations or omissions seemed unusual or questionable.

28. Closing occurred on or about May 30, 2006. Cardenas was not present, having claimed to be out of town.

29. Plaintiffs were asked to sign documents twice. The signing was rushed. Plaintiffs did not receive any explanation about the contents of the documents they signed or the terms of financing.

30. The following are true and accurate reproductions of documents relating to the loans that TB&W originated to plaintiffs:

- a. A note in the amount of \$235,200.00 at an interest rate of 7.5% (Exhibit A);
- b. A first mortgage (Exhibit B);
- c. A Truth-In-Lending Disclosure Statement (Exhibit C) disclosing an Amount Financed of \$229,587.34 and an APR of 7.7485%;

- d. A HUD-1 Settlement Statement (Exhibit D);
- e. A second mortgage referencing a Note for \$58,000 (Exhibit E);
- f. A Truth In Lending Disclosure Statement disclosing an Amount Financed of \$57,683.81 and an APR of 8.9625% (Exhibit F);
- g. A second HUD-1 Settlement Statement (Exhibit G); and
- h. A 1003 loan application for the smaller loan (Exhibit H).

31. However, at the closing, plaintiffs were not given, to take home with them, copies of all of the documents they signed, including, without limitation, the note for the second-lien loan and the final loan application for the first-lien loan.

32. Unbeknownst to plaintiffs, defendants had arranged for an “80/20” loan from defendant TB&W for 100% of the appraised, market value of the home. Plaintiffs did not discover they had been given two loans until two months following closing, after making the first payment in the amount of \$2,077.34 to TB&W and receiving a phone call from Citimortgage, Inc., which claimed that their payment in the amount of \$462.58 (for a second loan) was overdue.

33. Prior to closing, plaintiffs were never properly informed by TB&W, Advanced Lending or Cardenas that the house payment would be \$2,539.92 per month, inclusive of escrow. This information was concealed from them.

34. Prior to closing, plaintiffs never received from TB&W, Advanced Lending or Cardenas any written or oral notification of change in the payment amount they were quoted by Cardenas or in the loan terms, as required by the Illinois Residential Mortgage License Act.

35. Plaintiffs were never informed by any defendant that, due to TB&W’s payment of yield spread premiums to Advanced Lending in connection with both loans (Exhibit

F, page 2, line 808 and Exhibit G, page 2, line 808), TB&W assigned plaintiff Ida Mae Whitley a higher interest rate than she qualified for, as alleged more fully below. No defendant ever explained to any plaintiff the meaning of the YSPs. No defendant made any plaintiff aware of the choice between interest rates or informed them that the rates for the loans were negotiable.

36. The meaning of the YSPs was material information for plaintiffs. Because plaintiff Ida Mae Whitley had good credit, she could have obtained her financing at significantly lower interests rates if TB&W had not secretly agreed in advance of closing to unnecessarily and artificially raise her interest rates and divide the spoils between them, as further explained below.

FACTS RELATING TO FRAUD IN THE INDUCEMENT

Loan Applications

37. In April, 2006, defendants asked plaintiffs for, and plaintiffs provided, truthful and accurate information and documentation concerning their income, employment, education and race.

38. Specifically, Ida Mae Whitley and Clyde Whitley provided to defendants three years of their personal tax returns, including W-2s, copies of Ida Mae Whitley's paycheck stubs for the previous six months, 12 months' worth of bank statements, and 12 months' worth of rent receipts.

39. However, on information and belief, defendants, including TB&W, caused both of plaintiffs' final, 1003 loan applications to be completed utilizing made-up financial and other information about plaintiff Ida Mae Whitley. Defendants fabricated an entire socio-economic profile for her.

40. Completed by TB&W's agent, Anita Logan, the application for the smaller loan (Exhibit H, the only application of which plaintiff has a copy) makes plaintiff Ida

Mae Whitley out to be a white, upper-middle-income, highly educated female with a high-skilled job. It discloses that she is “White” and “Not Hispanic or Latino” (Section X.), has 16 years of education (i.e., a college degree)(Section III), is employed by the City of Chicago as a “Mechanic” (Section IV.) and earns \$6,800.00 per month gross in income from employment (Section V.), the equivalent of \$81,600 annually.

41. The only truth in this profile is that plaintiff is female.

42. In fact, Ida Mae Whitley and her husband are dark-complexioned, and Mrs. Whitley has a 7th grade education from public schools in Tunica, MI, a notoriously impoverished part of the U.S.

43. Further, while Mrs. Whitley is employed by the City of Chicago, her position is that of a “Garage Attendant,” not a “Mechanic.” She is responsible for checking the fluid levels on trucks and no more.

44. In fact, in May, 2006, she earned \$16.50 an hour or about \$2,840 gross per month, which translates to about \$34,000 annually – less than half the amount the loan application says she earned.

45. In fact, plaintiffs were paying \$925.00 per month in rent in May, 2006, not \$1,100, as the application states (Section V.).

46. Further, Mr. Whitley receives a Social Security disability benefit as his sole income.

47. While Mrs. Whitley was ultimately the sole borrower, defendants planned on making Mr. Whitley a co-borrower, and defendants knew, even after they decided not to utilize him as a co-borrower, that he and other family members would be helping to make the mortgage payment each month.

48. Plaintiffs Clyde Whitley and Kenna Whitley contributed to making the mortgage payments on both loans each month, until the family could no longer afford to make the payments on the larger or first-lien loan. Plaintiffs remain current on the second loan.

Appraisal

49. Prior to April 13, 2006, Cardenas, Ospina and/or Advance Lending ordered and arranged for an appraisal of the property at 8519 S. Kenton in Chicago.

50. The appraiser was Daniel Sompolski, an Illinois licensed appraiser and real estate broker. As a real estate broker, Sompolski was disciplined in 2004.

51. Sompolski was Cardenas', Ospina's and/or Advance Lending's agent for purposes of performing the appraisal of the property.

52. On information and belief, defendant(s) conspired with Sompolski prior to April 13, 2006 to arrange for a fraudulently inflated appraisal of the market value of the property.

53. On information and belief, defendants contacted Sompolski prior to that date and advised him of the value they ultimately needed (i.e., at least \$294,000, which was the contract purchase price) in order to support the loan amounts they wanted to make to plaintiffs. They agreed upon a value in advance of the appraisal inspection and report.

54. Sompolski obliged in order to continue to receive a stream of business from Advanced Lending. On information and belief, a significant share of the volume of Sompolski's business in 2006 came through Advanced Lending.

55. On or about April 13, 2006, Sompolski appraised the home and property and prepared an appraisal report stating that the market value was \$295,000. This amount was significantly and artificially inflated relative to comparable homes in the area.

56. On information and belief, defendants conspired and arranged to insert false information onto plaintiff Ida Mae Whitley's loan applications and to inflate the home's appraised value in order to make it appear that plaintiffs could afford to repay the loans.

57. The income on the loan application and the reported, appraised value support the amount of financing defendants needed to originate in order to finance the contract price. Defendants inserted the false information onto the final loan applications and arranged for plaintiff Ida Mae Whitley to sign them at closing.

58. TB&W was not only aware of the fraud on the loan applications but knowingly participated in it. Its employee, Anita Logan, completed and, on information and belief, signed plaintiffs' loans applications on behalf of TB&W. Even though the "Name and Address of Interviewer's Employer" section on the loan application (Exhibit H, page 4) indicates that Logan was employed by Advanced Lending, in fact she was employed by TB&W, and the phone number below her name on the application is a main number to TB&W's offices in Florida.

59. In addition or alternatively, on information and belief, prior to May 30, 2006, Cardenas, Ospina and/or Advanced Lending transmitted the fraudulent information about plaintiff Ida Mae Whitley's income, employment and property value to TB&W's underwriters.

60. Prior to approving the loan, TB&W performed its own, independent verification of Mrs. Whitley's income, employment and property, as well as its own underwriting analysis, and approved the loans. TB&W knew or should have known and discovered that the income, employment and home appraisal submitted for plaintiffs was fraudulent and inflated.

61. Alternatively, TB&W was negligent in failing to discover that the information was fraudulent.

62. TB&W had a non-delegable duty to verify plaintiffs' income, employment and property value. In fact, on information and belief, TB&W performed a verification of employment and an independent inquiry of the value of the property.

63. Further, on information and belief, TB&W required and obtained, prior to closing, a photocopy of plaintiffs' photo identification. From this, it was or should have been apparent that plaintiffs were not "white."

64. On information and belief, TB&W also had other information from Advanced Lending and/or plaintiffs from which it knew or should have known of or discovered fraud.

65. Further, following closing TB&W performed another analysis, an internal audit, on plaintiffs' loan file to check to ensure that the income, employment and/or appraised value were accurate and/or had been verified by TB&W staff. Once again, TB&W passed the loan when any reasonable inquiry would or should have revealed fraud by TB&W and/or its loan officer, Anita Logan, or its mortgage broker, Advanced Lending.

66. In fact, plaintiffs could not afford the payments on the loans. By basing the loans on an inflated home value, falsely inflated income figures, supported by a false employment and educational information for Mrs. Whitley, defendants fraudulently or negligently represented to plaintiffs that they could afford the home. Defendants knew or should have known that plaintiffs could not afford to make the payments based on this information.

67. But defendants faced an enticing commission structure. They falsely inflated Mrs. Whitley's income and appraised value to induce her to take out the purchase money loans, which in turn increased the amount of TB&W's, Logan's, Advanced Lending's, Ospina's and Cardenas' percentage-based, closings fees and commissions, as well as TB&W's future

interest-income and profits derived from the loans. TB&W also paid a handsome yield spread premium payments to Advanced Lending in connection with each loan. Most of these profits were realized immediately, upon disbursement of the loans.

68. In addition, on information and belief, Cardenas received an illegal kickback payment in exchange for steering plaintiffs' financing business to Advanced Lending, Ospina or Ochoa.

69. On information and belief, Cardenas and other defendants have a pattern and practice of committing the same types of fraud and fraudulent or negligent misrepresentation against consumers in other mortgage transactions.

70. Plaintiffs have tried three times to refinance out of defendants' loans. However, due to defendants' initial fraud of concealing that they were giving loans based on inflated property and income values, plaintiffs are "upside down"; their mortgage indebtedness is greater than the actual property value and income support. Consequently, plaintiffs' applications for refinancing have been rejected.

71. Plaintiffs have repeatedly requested loan modifications from TB&W and Citimortgage, Inc., the current servicer of the second-lien loan, but their requests have been denied – for the same reasons.

72. In January, 2008, TB&W initiated a foreclosure action against plaintiffs Ida Mae Whitley and Clyde Whitley in the Circuit Court of Cook County, 08 CH 07849.

Plaintiffs are now faced with the prospect of losing their home at the dawn of their retirement.

73. Defendants knew or could easily foresee that foreclosure would be the inevitable result of their actions of putting plaintiffs in a home and in loans that plaintiffs could not afford.

FACTS RELATING TO AGENCY

74. The loan application (Exhibit H) for the second-lien loan indicates that Anita Logan interviewed plaintiff Ida Mae Whitley in person to take the information for this application. (Id.).

75. Anita Logan was and is an employee and agent of TB&W, even though the application creates the impression that she was an agent of Advanced Lending. (Exhibit H, page 4). She took and accepted the application on behalf of TB&W.

76. In the alternative, TB&W is vicariously liable for Logan's acts of fraud and/or negligence. Those acts were committed within the scope of employment. Logan's acts were encouraged by TB&W's compensation policies and furthered the business of TB&W.

77. On information and belief, Logan filled out the computer-generated, final loan applications for both loans and signed them on behalf of TB&W.

78. On information and belief, Logan received additional, discretionary compensation from TB&W for her role in processing and/or originating plaintiffs' loans.

79. In the alternative and for the reasons set forth below, at all times Advanced Lending was an agent of TB&W. Johnfrey Ospina was an agent of Advanced Lending or of Osmond Ochoa and, therefore, a subagent of TB&W. Logan was an agent of TB&W. Cardenas and Blue Horizon were agents of Ospina and/or Advanced Lending and were agents or subagents of TB&W. Cardenas was an agent of Blue Horizon. Ochoa was an agent of Advanced Lending.

80. Cardenas represented to plaintiffs that he had authority from TB&W and Advanced Lending to arrange or grant mortgage financing, as well as the terms of that financing.

81. Advanced Lending, Ospina and Cardenas conducted most of the meetings and discussions with plaintiffs and made most of the material representations to her concerning the financing and the loans' terms.

82. On information and belief, following closing Cardenas received compensation from Advanced Lending, Ospina and/or TB&W in exchange for his role in steering plaintiffs' mortgage financing business to them.

83. Moreover, on information and belief, Ospina was at that time an agent of Advanced Lending and/or of Ochoah by virtue of a financial arrangement he had with one or both of them in which he received compensation for arranging and/or processing mortgage loans through Advanced Lending. Ospina was also an employee of LaSalle Bank at that time.

84. Mr. and Mrs. Whitley gave the supporting documents (described below) for their loan applications to Ospina or to Cardenas and Ospina together when the two men met with plaintiffs in their home. These documents were later given to TB&W.

85. In connection with plaintiffs' loans, TB&W paid Advanced Lending a total of \$6,134.02 for the latter's role in arranging the loans to plaintiff (Exhibit D, page 2, line 808; Exhibit G, page 2, lines 808). TB&W paid the two "par premiums" or "yield spread premiums" ("YSP") primarily in exchange for Advanced Lending's agreement to increase plaintiff Ida Mae Whitely's interest rate above the "par" rate that she qualified for.

86. To this end, TB&W provided Advanced Lending with information about TB&W's broker-compensation policies and formulae. These policies gave Advanced Lending the incentive to arrange plaintiff's loans and to increase plaintiff's interest rates.

87. In this manner, TB&W authorized Advanced Lending and gave it discretion to increase the interest rates on plaintiffs' TB&W loans.

88. Because of Advanced Lending's interest rate mark-up, TB&W received additional income and profit from plaintiffs' loans.

89. On information and belief, Advanced Lending directed some or all of the YSP payments to Ospina and/or Cardenas as additional compensation.

90. TB&W's policies also authorized Advanced Lending to charge certain amounts to plaintiffs in borrower-paid broker fees to Advanced Lending, such as loan origination and processing fees. Advanced Lending received \$5,003 in such fees directly from plaintiffs (Exhibits F and G).

91. In addition, on information and belief, TB&W and Advanced Lending had a written agreement to do business with each other. TB&W contracted with Advanced Lending in order to find prospective borrowers.

92. Pursuant to that agreement, TB&W authorized Advanced Lending to broker or arrange mortgage loans on TB&W's behalf.

93. Pursuant to that agreement, a significant number of loans brokered by Advanced Lending were placed with TB&W.

94. Pursuant to that agreement, TB&W authorized Advanced Lending to accept applications on its behalf, to quote financing rates and terms, to inform credit applicants of their financing options and to originate finance transactions, all by using TB&W's website, computer software and its forms.

95. Pursuant to the agreement, plaintiffs' loans were arranged by Advanced Lending in reliance on TB&W's credit-granting policies.

96. In particular, as one example, Advanced Lending consulted and followed TB&W's "rate sheets" and/or "product sheets" in setting the terms of plaintiffs' loans. This

information was available to Advanced Lending (and other TB&W-authorized mortgage brokers) on TB&W's website, and, on information and belief, Advanced Lending utilized TB&W's software to price plaintiffs' loans.

97. On information and belief, TB&W also made its closing documents available to Advanced Lending on TB&W's website, as well as TB&W's training and instructions for filling out such documents, and Advanced Lending utilized those documents and instructions to arrange plaintiffs' loans.

98. On information and belief, Advanced Lending prepared the documents necessary for plaintiff's loans from TB&W.

99. On information and belief, Advanced Lending and/or Ospina and/or Cardenas arranged for the closing of plaintiff's loans from TB&W.

COUNT I – CREDIT REPAIR ORGANIZATIONS ACT

100. Plaintiffs incorporate paragraphs 1-99. This claim is against all defendants.

101. Defendants violated the Credit Repair Organizations Act ("CROA"), 15 U.S.C. Sect. 1679b, by fraudulently inflating and falsifying plaintiff Ida Mae Whitley's income, employment and other pertinent information on her loan applications and by fraudulently overstating the value of the property plaintiffs sought to purchase.

WHEREFORE, plaintiffs request that the Court enter judgment in favor of plaintiffs and against defendants for: compensatory, punitive and other appropriate damages; equitable relief; attorney's fees, litigation costs; and such other or further relief as the Court deems appropriate.

COUNT II – RESPA

101. Plaintiff Ida Mae Whitley incorporates paragraphs 1-99. She brings this count against all defendants.

102. Plaintiff's loans from TB&W were federally-related mortgage loans, within the meaning of the Real Estate Settlement Procedures Act ("RESPA").

102. On information and belief, TB&W paid Advanced Lending the YSP in exchange for increasing plaintiff's interest rate and/or for steering or referring mortgage business to TB&W, not for other goods and services actually rendered. The YSP was an illegal kickback or unearned fee.

103. Alternatively, the YSP payment did not bear a reasonable relationship to the market value of any goods or services actually provided by Advanced Lending.

104. On information and belief, TB&W and Advanced Lending illegally split with each other the additional compensation earned from the transaction as a result of the imposition of the YSP.

105. In addition, on information and belief, Cardenas and Blue Horizon received payments and kickbacks in exchange for steering mortgage business to Advanced Lending, Ospina, Ochoa and third parties whose identities plaintiffs do not presently know.

106. On information and belief, TB&W, Advanced Lending, Ospina and/or Ochoa compensated Cardenas and/or Blue Horizon for steering mortgage financing business to them by splitting the fees they earned from the transaction with Cardenas and/or Blue Horizon.

107. These referral arrangements and transactions were not disclosed to any plaintiff, and plaintiffs were not provided with any written estimate of the charge or charges of the defendant(s) to which/whom Ida Mae Whitley was referred.

108. On information and belief, defendants' secret agreements to engage in this conduct were oral and/or written.

109. Defendants' conduct violated 12 U.S.C. Sect. 2607(a) and/or (b) and 24 C.F.R. 3500.14(b) ("Regulation X").

110. Plaintiff is entitled to the statutory and treble damages provided for by 12 U.S.C. Sect. 2607(d).

Tolling of Statute of Limitations

111. RESPA's one-year statute of limitations was tolled by defendants' fraudulent concealment of these secret transactions.

112. Defendants took active, affirmative steps to conceal these payments and fee splits from plaintiffs and from the rest of the world.

113. Defendants carefully omitted these transactions from all of the loan documents provided to plaintiffs at closing or at anytime.

114. Defendants' agreements to engage in these transactions were exclusively oral or, if written, were known only to themselves.

115. Further, plaintiffs, despite their due diligence, did not and could not have discovered these secret transactions earlier.

116. The transactions are not apparent from any of the closing documents plaintiffs received, defendants' agreements with each other were either exclusively oral or, if written, plaintiffs did not have access to any written agreements between defendants.

117. Because of the secret nature of these transactions, plaintiffs were prevented from becoming aware of these transactions at the time they occurred.

WHEREFORE, plaintiff requests that the Court enter judgment in their favor and against defendants for:

- a. Statutory damages;
- b. Attorney's fees, litigation expenses and costs of suit; and
- c. Such other or further relief as the Court deems proper.

COUNT III – COMMON LAW FRAUD

118. Plaintiffs incorporate paragraphs 1-99. This claim is against defendants Cardenas, Ospina, Advanced Lending and TB&W.

119. Defendants arranged for and/or approved the fraudulent appraisal of the property plaintiffs sought to purchase and approved and originated a loan to Mrs. Whitley, the principal amount of which was based on the artificially inflated value.

120. Defendants knew that the appraised value was inflated and false or were reckless with respect to its truth or falsity.

121. Defendants intended for plaintiffs to rely on the fraudulent appraised value in order to induce them to take out the loan.

122. The value of the property was a material term and predicate of the transaction with defendants.

123. Plaintiffs did, in fact, rely on defendants' fraudulent misrepresentation. Plaintiffs' reliance was justified.

124. Plaintiffs were injured thereby.

WHEREFORE, plaintiffs request that the Court enter judgment in their favor and against defendant for:

- a. Actual, compensatory and other appropriate damages;

- b. Punitive damages, equitable relief; and
- c. Such other relief as the Court deems appropriate.

COUNT IV -- CIVIL CONSPIRACY TO COMMIT FRAUD

125. Plaintiffs incorporate paragraphs 1-99. This claim is against defendants Cardenas, Ospina, Advanced Lending and TB&W.

126. Defendants combined and conspired with each other and/or with Sompolski to unlawfully arrange for and produce a fraudulent, appraised value for the property plaintiffs sought to purchase.

127. Defendants took concerted and overt actions in furtherance of the conspiracy to commit fraud. Defendants agreed upon a minimum value or range of value in advance of the appraisal being performed, and TB&W approved the loan knowing that the probable, actual value of the home was well below \$294,000.

128. Defendants conspired - out of excessive concern for their fees, commissions and profits - to misrepresent, conceal, overlook and suppress the actual market value of the property.

129. Plaintiffs were damaged as a result.

WHEREFORE, plaintiffs request that the Court enter judgment against defendant for:

- a. Actual, compensatory and other appropriate damages;
- b. Punitive damages, equitable relief; and
- c. Such other or further relief as this Court deems appropriate.

COUNT V - ILLINOIS CONSUMER FRAUD ACT

130. Plaintiffs incorporate paragraphs 1-99. This claim is against all defendants.

131. Defendants engaged in unfair and deceptive practices, in violation of §2 of the Illinois Consumer Fraud Act, 815 ILCS 505/2, by engaging in a combination of practices including but not limited to: baiting-and-switching plaintiffs on quoted loan terms that were affordable for them, misrepresenting the loan terms to plaintiffs, falsifying Mrs. Whitley's material information on the loan application, fraudulently inflating the appraised value of the property, approving a loan based on such information, disguising the fact that plaintiffs were receiving loans they could not afford, withholding and concealing disclosure documents from plaintiffs, secretly assigning Mrs. Whitley a higher interest rate than she qualified for and not explaining her choices of interest rate; discriminating against plaintiffs on the basis of race; and knowingly engaging in improvident lending with respect to plaintiffs.

132. Defendants engaged in such conduct in the course of trade and commerce.

133. Defendants engaged in such conduct with the intent that plaintiffs rely on their deception.

134. Defendants engaged in such conduct with the intent to injure plaintiffs.

135. Plaintiffs were damaged as a result.

136. Defendants' conduct caused plaintiffs' injuries.

WHEREFORE, plaintiffs request that the Court enter judgment in favor of plaintiffs and against defendants for: compensatory, punitive and other appropriate damages; equitable relief; attorney's fees, litigation expenses and costs; and such other or further relief as the Court deems appropriate.

COUNT VI – NEGLIGENT MISREPRESENTATION

137. Plaintiffs incorporate paragraphs 1 – 99. This count is against all defendants.

138. Defendants negligently misrepresented the monthly payment amount, the “rebate” and other terms of the loans to plaintiffs.

139. Defendants negligently failed to provide plaintiffs with preliminary written disclosures and with written or oral notification of any change in loan terms.

140. Defendants were well-aware that plaintiffs are unsophisticated, first-time home buyers, with little knowledge or education concerning real estate and mortgage financing. Defendants knew that plaintiffs had limited income and would all be helping to make the monthly payments on the mortgage. Yet defendants did not correctly or accurately represent or explain the terms of the purchase or the loans to plaintiffs.

141. Defendants made the misrepresentations detailed above in their business or professional capacities. All of the misrepresentations were made in a commercial setting and directly to plaintiffs.

142. In making the misrepresentations, defendants breached their duty to plaintiffs to accurately represent, describe and explain the terms of the loans, thereby taking precautions against creating an unreasonable risk of injury from foreseen and foreseeable events -- such as the prospect of plaintiffs’ inability to make payments, the event of mortgage default, the destruction of plaintiffs’ credit, the loss of the family’s home in foreclosure, and other financial injuries to plaintiffs.

143. As a result of defendants’ negligent misrepresentations, plaintiffs suffered damages and continue to suffer damages.

144. Defendants’ negligent misrepresentations caused plaintiffs’ injuries.

Plaintiffs justifiably relied on defendants' misrepresentations. Defendants knew or could contemplate or foresee that plaintiffs would rely on their negligent misrepresentations.

145. Defendants conduct was wanton and willful, reckless and malicious.

WHEREFORE, plaintiffs pray for actual and compensatory damages, the reasonable cost of repair, punitive damages, equitable relief and any other or further relief that the Court deems just.

COUNT VII – NEGLIGENCE

146. Plaintiffs incorporate paragraphs 1 – 99. This count is against all defendants.

147. In the alternative, defendants, especially TB&W, was negligent in approving loans to plaintiffs that were based on falsified financial, employment and asset information.

148. Defendants had a general duty of care toward plaintiffs in arranging and brokering the purchase of their home and in arranging, brokering and originating mortgage financing for that purpose.

149. Defendants had a duty to plaintiffs to take precautions against creating unreasonable risk of injury from foreseen and foreseeable events, such as plaintiffs' eventual inability to make payments, default on the mortgages, the destruction of plaintiffs' credit, and the loss of the family's home in foreclosure.

150. TB&W's duty of care to plaintiffs was non-delegable. It had a duty to ensure that its loans to plaintiffs were based upon accurate financial information and accurate qualifying ratios. It had a duty not to engage in improvident lending.

151. It was foreseeable that plaintiffs, who defendants knew had limited income and would all be pitching in to help make the payments, would not be able to afford the payments on the home based on the false information and the loan terms they received.

152. As professionals, defendants were also under a duty to use their professional judgment, skill and knowledge as practitioners in the real estate, mortgage brokerage and mortgage finance fields.

153. Defendants breached their duties to plaintiffs.

154. As a result, plaintiffs' property interests and financial security have been damaged. Specifically, TB&W has filed a foreclosure action against plaintiffs, plaintiffs are in danger of losing their home, any equity in their home is in danger of being lost, and plaintiffs' credit has been severely damaged.

155. Defendants' breach of their duties to plaintiffs was the actual and proximate cause of plaintiffs' injuries.

156. Defendants' conduct was wanton and willful, reckless and malicious.

WHEREFORE, plaintiffs pray for actual and compensatory damages, the reasonable cost of repair, punitive damages, equitable relief, and any other or further relief that the Court deems just.

**COUNT VIII – INTENTIONAL/NEGLIGENT
INFLICTION OF EMOTIONAL DISTRESS**

157. Plaintiffs incorporate paragraphs 1-99. This count is against all defendants.

158. It was extreme and outrageous conduct on defendants' part to abuse their professional offices and the explicit trust that plaintiffs placed in them by leading plaintiffs, by

means of deception and concealment, to purchase a home and take out loans that defendants knew plaintiffs could not afford. Defendants knew from the start that plaintiffs were unsophisticated, first-time home buyers. Defendants knew that the inevitable result of defendants' conduct would be foreclosure on plaintiffs' home.

159. Defendants intended to cause plaintiffs severe emotional distress or were reckless as to the effect of their conduct on plaintiffs. They acted in reckless disregard of a high probability that emotional distress to plaintiffs would result from their actions.

160. Defendants knew that plaintiffs had limited financial means and reserves, were financially vulnerable and, therefore, more susceptible to emotional distress than people who are financially better off.

161. Defendants' extreme and outrageous conduct caused plaintiffs' severe emotional distress.

162. Plaintiffs have been damaged in that they have suffered and continue to suffer actual, severe emotional distress. Plaintiffs live in fear of losing their home, in fear of financial insecurity in their retirement and in fear of the future.

163. Defendants' conduct shocks the conscience and transcends all bounds of decency.

WHEREFORE, plaintiffs pray for actual damages, punitive damages and any other or further relief that the Court deems just.

COUNT IX - BREACH OF FIDUCIARY DUTY

164. Plaintiffs incorporate paragraphs 1-99. This claim is against Cardenas, Blue Horizon, Advanced Lending, Ospina and Ochoa.

165. One who undertakes to find and arrange financing or broker the purchase of real estate for another becomes the latter's agent for that purpose and owes a fiduciary duty to act in the interest of the principal and make full disclosure of all material facts that might affect the principal's decision.

166. Cardenas and Blue Horizon undertook to serve as plaintiffs' real estate agent or broker. Cardenas, Blue Horizon, Advanced Lending Ospina and Ochoa undertook to serve as plaintiffs' mortgage broker.

167. As set forth above, plaintiffs entrusted matters to defendants to handle on their behalf and authorized them to act in their best interest and for their benefit.

168. Defendants voluntarily accepted that charge and undertook to manage plaintiffs' real estate and mortgage financing transactions.

169. Explicitly or implicitly, defendants represented to plaintiffs that they would find or arrange for plaintiffs the best deals on a home and financing.

170. In addition, on information and belief, both Cardenas' and Advanced Lending had written, agency agreements with plaintiffs that granted to them the exclusive right to serve as plaintiffs' agents for purposes of brokering the purchase of real estate and/or arranging mortgage financing.

171. Pursuant to these agreements, defendants had the authority to act and did act to affect the legal rights of plaintiffs.

172. Defendants breached their respective fiduciary duties to plaintiffs by: failing to disclose material information to plaintiffs; making affirmative misrepresentations to plaintiffs; overcharging plaintiffs; increasing their interest rate in exchange for YSPs from TB&W; arranging for the purchase of real estate and for loans plaintiffs could not afford; and by

otherwise engaging in conduct that was fraudulent or negligent and directly adverse to the interests of plaintiffs.

173. Defendants intentionally or negligently disregarded the interests of plaintiffs and acted purely or primarily for their own financial benefit.

174. Plaintiffs were injured and damaged as a result.

175. Defendants' conduct was deliberately oppressive, corrupt and dishonest. Substantial punitive damages are warranted.

WHEREFORE, plaintiffs requests that the Court enter judgment in favor of plaintiffs and against defendants for: compensatory, punitive and other appropriate damages; equitable relief; costs; and such other or further relief as the Court deems appropriate.

COUNT X - INDUCEMENT OF BREACH OF FIDUCIARY DUTY

176. Plaintiffs incorporate paragraphs 1-99. This count is against defendant TB&W.

177. TB&W induced a breach of Advanced Lending's, Ochoa's, Ospina's and/or Cardenas' fiduciary duty to plaintiffs through its policy of paying YSPs to brokers in exchange for the broker's cooperation in unnecessarily inflating plaintiffs' interest rates.

178. TB&W intended for its authorized brokers, such as Advanced Lending, to raise the interest rates of its borrowers.

179. TB&W's promise of additional compensation for Advanced Lending was material inducement for Advanced Lending, Ochoa, Ospina and Cardenas to breach their fiduciary duty to plaintiffs.

180. Defendants did breach their fiduciary duty to plaintiffs, as alleged above. Defendants breached their fiduciary duty in exchange for the payment of from TB&W.

181. TB&W knew that this breach would be the direct or proximate result of its policy of paying YSPs and of paying the YSP to Advance Lending.

182. Plaintiffs were damaged as a result.

183. TBW's inducement of defendants to breach their fiduciary duty caused plaintiffs' damages.

WHEREFORE, plaintiffs request that the Court enter judgment in favor of plaintiff and against defendants for: compensatory, punitive and other appropriate damages; equitable relief; costs; and such other or further relief as the Court deems appropriate.

COUNT XI - CIVIL RIGHTS ACT

184. Plaintiffs incorporate ¶¶ 1-99. This claim is against all defendants.

185. Defendants intentionally discriminated against plaintiffs on the basis of race in arranging and brokering the purchase of the property and in arranging, brokering and originating loans for that purpose.

186. Plaintiffs were qualified to obtain financing to purchase a house, but they received terms and conditions less favorable than defendants' similarly qualified Caucasian borrowers, in violation of 42 U.S.C. § 1981.

187. Plaintiffs were steered by defendants, based on their race; alternatively, once plaintiffs submitted an application, they were singled out and exploited in both transactions because of their race.

WHEREFORE, plaintiffs request that the Court enter judgment in favor of plaintiffs and against defendants for: actual damages, punitive damages, equitable relief, attorney's fee and costs and any other or further relief that the Court deems just.

COUNT XII FAIR HOUSING ACT

188. Plaintiffs incorporate paragraphs 1-99. This count is against TB&W and Advanced Lending.

189. As noted, defendants' payment and receipt of YSPs meant plaintiffs received a higher interest rate than she otherwise would have. Plaintiffs were also charged excessive closing costs in connection with their loans.

190. On information and belief, defendants, on average, give higher interest rates more often to minority borrowers than to Caucasians, regardless of qualifications, and defendants charge more in closing fees (as a percentage of loan principal) more often to minority borrowers than they do to their white customers. Plaintiffs were overcharged in this manner.

191. Defendants' pricing practices disproportionately impact minority borrowers such as plaintiff. Plaintiffs and other minorities are, on average and more frequently, subject to higher interest rates and closing fees simply because of their race.

192. This result is known and intended by defendants.

193. This result is very lucrative for defendants. Loans with higher interest rates, and with higher closing fees that are financed, earn TB&W more in profits, whether it holds the loans in portfolio or sells them to investors on the secondary market.

194. As noted, TB&W's loan pricing policies delegate significant authority and discretion to individual mortgage brokers and loan officers to set interest rates and closing fees. This system gives and is intended to give such loan officers and brokers incentives to engage in the subjective mark-up of credit applicants' interest rates and closing fees, without regard to borrower qualifications or borrower risk. TB&W permits its otherwise neutral underwriting criteria to be overridden in this manner. One of the subjective criteria that enter into the loan officers' and mortgage brokers' equation is race.

195. TB&W is well aware that its pricing policies influence its loan officers' and mortgage brokers' sales behavior. This is the policy's intended effect.

196. On information and belief, TB&W's brokers and loan officers are compensated in significant part on the basis of the interest rate and/or fees associated with the loans they originate or broker, which provides them with the incentive to increase minority borrowers' interest rates and closing costs, whenever possible.

197. TB&W's brokers are, on average, more effective in persuading its African-American and Latino credit applicants to accept higher interest rates and closing fees than its white customers.

198. In recent years, interest rate and closing fee disparities by race have been the subjects of numerous credible studies and discussion, including in trade journals and other industry publications. Defendants were on notice of the findings of these studies and related concerns but continued their lucrative practices anyway.

199. There is no legitimate business reason justifying the discriminatory effect of plaintiffs' and other minorities' assignment by defendants, regardless of qualifications, of higher interest rates and closing fees, on average, than defendants' white borrowers.

200. Alternative policies and practices exist that would not have had the same disparate impact on plaintiffs and other minority borrowers.

201. As a result of defendants' conduct, plaintiffs were induced to sign loan documents providing for a loan that was unnecessarily expensive and that was made on less favorable terms than loans defendants made to similarly-situated Caucasians.

202. Defendants' conduct violates the Fair Housing Act, 42 U.S.C. Sect. 3605. Defendants assigned plaintiffs and other minorities a higher interest rate, on average and more

frequently, than it did to their Caucasian customers. Defendants charged higher broker fees, on average and more frequently, to plaintiffs and other minority customers.

203. Plaintiffs will prove their claims of discrimination, in part, through a statistical analysis of defendant's loan transactions.

WHEREFORE, plaintiffs requests that the Court enter judgment in favor of plaintiffs and against defendants for:

- a. Declaratory relief;
- b. Injunctive relief;
- c. Actual damages;
- d. Attorney's fees, litigation expenses and costs; and
- e. Such other or further relief as the Court deems appropriate.

COUNT XIII – EQUAL CREDIT OPPORTUNITY ACT

204. Plaintiffs incorporate paragraphs 1-99 and 184-203. This claim is against TB&W and Advanced Lending.

205. Defendants violated 15 U.S.C. Sect. 1691 of the ECOA in the manner alleged above.

WHEREFORE, plaintiffs request that the Court enter judgment in favor of plaintiffs and against defendants for:

- a. Declaratory relief;
- b. Injunctive relief;
- c. Appropriate damages;
- d. Attorney's fees, litigation expenses and costs; and
- e. Such other or further relief as the Court deems appropriate.

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ **235,200.00** (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is **Taylor, Bean & Whitaker Mortgage Corp.**

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of **7.5000%**.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the **1st** day of each month beginning on **July 01, 2006**

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on **June 01, 2036**, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at **Taylor, Bean & Whitaker Mortgage Corp., 1417 North Magnolia Ave, Ocala, FL 34475**

or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ **1,644.55**

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED**(A) Late Charge for Overdue Payments**

If the Note Holder has not received the full amount of any monthly payment by the end of **Fifteen** calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be **5.0000%** of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in

this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Borrower has executed and acknowledges receipt of pages 1 through 3 of this Note.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or

partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly.

Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has—if any—with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan

charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to Section 22 of this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged unless as otherwise provided under Applicable Law. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon

an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not

cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

23. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Waiver of Homestead. In accordance with Illinois law, the Borrower hereby releases and waives all rights under and by virtue of the Illinois homestead exemption laws.

25. Placement of Collateral Protection Insurance. Unless Borrower provides Lender with evidence of the insurance coverage required by Borrower's agreement with Lender, Lender may purchase insurance at Borrower's expense to protect Lender's interests in Borrower's collateral. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower makes or any claim that is made against Borrower in connection with the collateral. Borrower may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by Borrower's and Lender's agreement. If Lender purchases insurance for the collateral, Borrower will be responsible for the costs of that insurance, including interest and any other charges Lender may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to Borrower's total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in pages 1 through 12 of this Security Instrument and in any Rider executed by Borrower and recorded with it.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property." Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including, but not limited to, releasing and canceling this Security Instrument.

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest and Other Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and if allowable under Applicable Law, any prepayment charges and late charges due under the Note. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

2. Application of Payments or Proceeds. Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 14 or in such manner or location as required under Applicable Law. Except as otherwise described in this Section 2, and as permitted under Applicable Law, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall

be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. To the extent permitted by Applicable Law, voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Subject to Applicable Law, Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 8. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 8 and pay such amount and Borrower shall then be obligated under Section 8 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 14 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. Borrower shall not be obligated to make such payments of Funds to Lender to the extent that Borrower makes such payments to the holder of a prior mortgage or deed of trust if such holder is an institutional lender. If under Section 21 the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

4. Charges; Liens. Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust, or other security agreement with a lien which has priority over this Security Instrument. Borrower shall pay when due, all taxes,

assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien other than a lien disclosed to Lender in Borrower's application or in any title report Lender obtained which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan if allowed under Applicable Law.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5, shall be added to the unpaid balance of the loan and interest shall accrue at the Note rate, from the time it was added to the unpaid balance until it is paid in full.

Subject to Applicable Law, all insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 21 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering

the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

7. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

8. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which has or may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has or may attain priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 8, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 8.

Any amounts disbursed by Lender under this Section 8 shall become additional debt of Borrower secured by this Security Instrument if allowed under Applicable Law. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

9. Mortgage Insurance. Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect.

10. Assignment of Miscellaneous Proceeds; Forfeiture. The Miscellaneous Proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be

applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

12. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 17, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 19) and benefit the successors and assigns of Lender.

13. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, as allowed under Applicable Law. The absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment.

14. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to

Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

15. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

16. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 17, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 14 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to Section 22 of this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, as allowed under Applicable Law; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged unless as otherwise provided under Applicable Law. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 17.

19. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, if required under Applicable Law, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 14) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed

to be reasonable for purposes of this section. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 21 and the notice of acceleration given to Borrower pursuant to Section 17 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 19.

20. Hazardous Substances. As used in this Section 20: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 17 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

23. Waiver of Homestead. In accordance with Illinois law, Borrower hereby releases and waives all rights under and by virtue of the Illinois homestead exemption laws.

24. Placement of Collateral Protection Insurance. Unless Borrower provides Lender with evidence of the insurance coverage required by Borrower's agreement with Lender, Lender may purchase insurance at Borrower's expense to protect Lender's interests in Borrower's Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower makes or any claim that is made against Borrower in connection with the Property. Borrower may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by Borrower's and Lender's agreement. If Lender purchases insurance for the Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges Lender may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to Borrower's total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

**REQUEST FOR NOTICE OF DEFAULT
AND FORECLOSURE UNDER SUPERIOR
MORTGAGES OR DEEDS OF TRUST**

Borrower and Lender request the holder of any mortgage, deed of trust or other encumbrance with a lien which has priority over this Security Instrument to give notice to Lender, at Lender's address set forth on page one of this Security Instrument, of any default under the superior encumbrance and of any sale or other foreclosure action.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in pages 1 through 10 of this Security Instrument and in any Rider executed by Borrower and recorded with it.
